Privacy Policy of Pro Builds for Smite

Privacy Policy

Effective date: October 18, 2018

Pro Builds for Smite ("us", "we", or "our") operates the Pro Builds for Smite mobile application (the "Service"). This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

Pro Builds for Smite does not collect any personal information, nor do we have access to personal data collected by Apple. Please refer to the Apple App Store privacy policy for more information.

Our Service does contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit. We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
